- Identify the brands of glucose meters used by patients with diabetes.
- Summarize aspects of care for the ambulatory patient with diabetes.
- Describe the management of care of the OB patient with Gestational Diabetes.
- Define DKA and describe the management of a patient in DKA.
- Explain dietary implications for the patient with diabetes.
- Identify methods to promote spiritual well-being in the patient with diabetes.
- Recognize the relationship between oral health and diabetes.
- Describe the multiple aspects of insulin management.

Continuing Education

Nursing

Carle Foundation Hospital is an approved provider of continuing nursing education by the Illinois Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Pharmacy

Carle Foundation Hospital is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing education. This knowledge-based program is for pharmacists, ACPE # 539-0000-09-001-L01-P, and meets the criteria for 0.3 CEU's (3.0 contact hours), with a completion of a post course evaluation required.

Dietary

3.0 CPE hours have been requested for dietitians to the Commission on Dietetic Registration.

Physical Therapy

Carle Foundation Hospital is an approved provider of PT continuing education through the Illinois Department of Professional Regulation. PT CEU Provider (IDPR License # 216000061). Course is approved for 3.5 CE hours for PT and PTA.

Occupational Therapy

Carle Foundation Hospital is an approved provider for the American Occupational Therapy Association to provide continuing education in occupational therapy. This intermediate level program awards occupational therapy practitioners 3.5 contact hours. The assignment of AOTA CEU's does not imply endorsement of the specific content, products, or clinical procedures by AOTA.

Social Work

Carle Foundation Hospital is approved as a sponsor of continuing education credit for social workers by the Department of Professional Regulations of the State of Illinois (159-000491). This event has been approved for 3.25 CEU's for social workers.

Other

Participants must be present for the entire program to obtain a certificate of attendance for the allocated number of contact hours. Partial credit may be authorized by the program coordinators if late arrival or early departure is accurately documented. All persons attending must sign-in & complete the applicable portions of the program evaluation form before the certificate of attendance is issued.

This educational activity is being presented without the provision of commercial support and without bias or conflict of interest from the planners and presenters.
